

THE BEGINNINGS OF A NEW YEAR

Kia ora koutou

Talofa lava and greetings!

Over the Christmas holidays we have watched the demolition of Aranui High School's oldest building with great interest. Fifty years of history disappeared over a three week period, as the bulldozers got to work on this old teaching block.

On Tuesday 2nd we marked exactly 50 years to the very day, since Aranui High opened its doors. It was our teacher only day so we did not have the opportunity to celebrate this landmark date with our students. However, there will be plenty of occasions to make up for this. On Wednesday we welcomed our new intake of year 9 students. And what a fine looking lot they are! The official powhiri for our new students and staff will be taking place on Friday 5 February at 9 am.
