ENGLISH LANGUAGE CENTRE

Aranui High School has a well-developed ESOL Department. It offers intensive ESOL to prepare students for mainstream classes, university entrance and tertiary education. It also offers classes where NCEA qualifications in ESOL are gained. Classes are limited to 15 students per group. The ESOL Department has highly qualified and experienced teachers. Students are assessed for their level of English on arrival at school. The result will determine what level of study the student will undertake.

ESOL Courses

ESOL language classes at the following levels:

- i)* **Foundation:** these classes will focus on the skills of spoken and written language. They will be at a basic and elementary level and concentrate on communication and fluency in English.
- ii)* **Stage 1:** these classes will have a strong grammatical and structural content, with a focus on accuracy in communication, particularly as it relates to specific subjects.
- iii)* **Stage 2/NCEA Level 1/2:** these classes will focus on English for academic purposes and will prepare students for Year 12 and NCEA Level 1 and 2 Certificate of Achievement.
- iv)* **Stage 3/NCEA Level 2/3:** these classes will focus on English for academic literacy and will prepare students for University Entrance and for NCEA level 3 Certificate of Achievement. This also includes preparation for IELTS, if requested. All courses start at the beginning of the year.

INTERNATIONAL STUDENT ORIENTATION AND HANDBOOK

On their arrival at school the students will be given an International Student Handbook. It is important they read the International Student Handbook carefully and ask if they have any questions. An orientation will be held at the school within the first week of their arrival. At this time students can expect the following to be covered:

- All points in the handbook, including, but not limited to, life in NZ, the school system in NZ, transport, NZ law, banking, homestay life, expectations and rules, grievance and complaints procedures, support services available, school rules, systems and resources, and rules about driving.
- The student's timetable and course will be discussed and planned.
- Guided tour of the school.
- English competency testing.

HOMESTAY AND PASTORAL CARE

As a signatory to the NZ Code of Practice, Aranui High School places great emphasis on the pastoral care of international students. Friendly homestays with New Zealand families are organised by our Homestay Co-ordinator, Mrs Sue Scheib. Mrs Scheib inspects prospective homestay accommodation, interviews hosts and checks their references. Mrs Scheib keeps in regular contact with all families, and is readily available for both the students and the homestay to discuss any homestay matters. Families are sourced within a range of around 5-7 km from the school and all families will be near a bus stop if their student will travel to school by bus. There is always staff available, should the student need advice on any matter, ranging from personal issues, immigration matters, tertiary education and so on. Parents who have concerns about their children's welfare can contact Aranui High School during normal school hours, or in a **real emergency** after hours on (021) 0434621.

INSURANCE

Aranui High School has agreed to observe and be bound by the Code of Practice for the Pastoral Care of International Students published by the Ministry of Education. Copies of the Code are available on request from this institution or from the New Zealand Ministry of Education website at www.minedu.govt.nz/goto/international.

Immigration

Full details of visa and permit requirements, advice on rights to employment in New Zealand while studying, and reporting requirements are available through the New Zealand Immigration Service, and can be viewed on their website at www.immigration.govt.nz.

Eligibility For health Services

Most students are not entitled to publicly funded health services while in NZ. If you receive medical treatment during your visit, you may be liable for the full costs of that treatment. Full details on entitlements to publicly funded health services are available through the Ministry of Health, and can be viewed on their website at www.moh.govt.nz.

Accident Insurance

The Accident Compensation Corporation provides accident insurance for all New Zealand Citizens, residents, and temporary visitors to New Zealand, but you still may be liable for all other medical and related costs. Further information can be viewed on the ACC website at www.acc.co.nz.

Medical and Travel Insurance

International students must have appropriate and current medical and travel insurance while studying in New Zealand. There are many companies that offer this type of insurance and the school can arrange insurance for students that is effective from the time they leave their home until they arrive back home at the end of their tuition period. The insurance is renewed each year and is invoiced to the students when they apply.

Students who organise their own insurance must have appropriate and current medical and travel insurance for the duration of their planned period of study in accordance with the Guidelines to Support the Code of Practice for the Pastoral care of International Students section 7.4. Students *must* provide a copy of an existing medical insurance policy from their home country, if they choose not to purchase a policy from the school. Homestay families and the school cannot be responsible for any medical costs or losses the student may incur.

SCHOOL ORGANISATION

Aranui High School expects students to behave in a courteous, responsible way. Rules particularly applicable to International Students are as follows. Please refer to Schedule One for more specific information.

Attendance:

Students must be at school punctually by 8.45am **every** day. Attendance in all classes is compulsory. Absences of longer than 2 days require a Doctor's Certificate. Frequent or unexplained absences must be reported to the New Zealand Immigration Service and this may result in the termination of the Student Permit.

Classwork and Homework:

Assignments, tasks, homework and class-work must be completed to a satisfactory standard. Students are assessed throughout the year so need to be in class when the assessments occur.

Reports:

Students are issued with a Progress Report in March and Grade Reports at the end of Terms 2 and 4. These are mailed or faxed to the parents, guardians and agents of all International students. Host family parents are invited to attend report evenings at school.

Uniforms:

Uniform is compulsory for students from Year 9 to Year 12. Year 13 students must wear neat and presentable clothing. Please refer to the Uniform Information Sheet. All new International Students will be given assistance to buy the correct uniform at the school shop.

Motor Vehicle:

The school requires written permission from the parents, guardian or agent **before** students begin to drive a motor vehicle in New Zealand. International students must hold a **current New Zealand drivers' licence** and obey all traffic laws. They are not permitted to drive on an International licence or licence from their own country, as per the Tuition Contract. Approval must be sought from the Principal before driving a motor vehicle to school.

Smoking:

Smoking is not permitted on school grounds, or while a student is in school uniform. Students cannot smoke under the age of 18 years.

Internet Policy:

The school has a detailed ICT policy, which all students must adhere to. If students are found to be accessing inappropriate materials on any school computer, they risk being stood down from school.

GETTING A STUDENT VISA

We strongly recommend that, where possible, a local Education Consultant be used to help get the Student Visa. A list of Consultants and Agents is available at the New Zealand Education Service which is located at the New Zealand Embassy or High Commission in Kuala Lumpur, Singapore, Bangkok, Tokyo, Hong Kong, Beijing, Jakarta, Seoul and Taipei, Hamburg, New Delhi and Sao Paulo. The consultants will handle all the paperwork and will be in constant communication with us.

A visa can also be obtained without using an agent by corresponding directly with our School. Full details of visa and permit requirements, advice on rights to employment in New Zealand while studying, and reporting requirements are available through the New Zealand Immigration Service, and can be viewed on their website at <http://www.immigration.govt.nz>

Take careful note of the date the Student Permit expires.
If even one day late in applying for an extension,
permission for the student to stay may be denied.

ENTRY CONDITIONS AND HOW TO APPLY TO ARANUI HIGH SCHOOL

Step 1

Fax the completed applications forms, the signed tuition contract with Schedule One and Two to (+64-3) 382-4319.

- Please include your latest school report, a letter from your school and a report about your English language competency;
- Also include a personal essay about why you want to study in New Zealand at our school.

Step 2

A decision will be made whether to accept your application based on having:

- Average or above academic record from own country
- English level in accordance with chosen academic study level. Entry into mainstream is dependent on English test results on entry to school.
- Health history showing no signs of a previous condition, which may hinder the student's learning or ability to complete the programme satisfactorily.

Step 3

Your acceptance will initially be conditional until your arrival, at which point your entrance test will determine your final course.

- There is no English language proficiency requirement for entry to Aranui High School, as students can enter the Intensive ESOL programme if required. However a student's school grades at home need to be at least average, and the student needs to demonstrate a willingness and effort to improve language skills before students can be placed in a mainstream programme. This will be at the discretion of the ESOL and mainstream teachers.
- Condition of acceptance is based on payment of all fees and signing of tuition agreement, in addition to being at the required level of course enrolled.

Step 4

The fees invoice and a conditional offer of place will be issued (the final year level will be determined on arrival after the student's English level has been tested).

After the tuition, homestay and insurance fees have been sent to our bank account, we will issue a Fees Receipt, so the student visa application can be lodged.

- A host family will be sourced and the details sent to the student.
- Student sends Aranui High School the flight details for arrival.
- Student is met at the airport by the host family and/or the Homestay Co-ordinator of Aranui High School.
